One Integrated System. Complete Prelims Mastery.

PRELIMS COMBO

2027

Total 45 Tests

Batch 6

Commences On

6th DECEMBER 2026

Background

Clearing UPSC Prelims demands two things working in perfect sync — deep conceptual precision and sharp current affairs intelligence. Prepare for one without the other, and you leave marks on the table.

PowerUp Prelims Combo 2027 brings together Vajiram & Ravi's two most powerful Prelims programmes into one seamlessly integrated preparation system — covering every dimension of GS Paper I with the depth, structure, and intelligence it demands.

This is not two test series bundled together. This is one complete Prelims intelligence plan.

What's Inside the COMBO?

PowerUp Prelims Test Series 2027

30 High-Quality GS Tests — Sectional · Comprehensive · Full-Length

A scientifically structured testing programme that builds conceptual depth, exam temperament, and answer precision — through a proven five-stage intelligence loop.

Features

- **Zero Hour Sessions** before every major test — strategy briefing, PYQ decoding, high-yield theme identification
- **Test Breakdown Sessions** — recorded, Subject Expert-led walkthrough of all 100 questions explaining the *why* behind every option
- **Reflection & Strategy Sessions** — monthly expert-led sessions for doubt resolution and elimination strategy
- **PowerUp Recall Sheets** — curated high-yield summaries with every test for quick revision
- **PowerUp PYQ Booster —** students get access to a curated set of PYQs mapped to that test's exact syllabus at vajiramias.com.
- **AI-Supported Performance Analytics** — subject-wise & topic-wise breakdowns, accuracy trends and comparative ranking.
- **Detailed Explanations** with Knowledge Boxes and Points to Remember (PTR)
- **PYQ pattern integration** — 15+ years of UPSC trend analysis embedded in every question
- **Offline + Online flexibility** with repeat attempt option
- **Student portal access** via vajiramias.com

PowerUp Current Affairs Test Series 2027

15 Curated CA Tests — Monthly · Revision · Special IR Test

A current affairs intelligence module designed to keep your preparation UPSC-relevant, month by month — from May 2026 through Prelims 2027.

Features

- **12 Monthly Tests** covering May 2026 to April 2027
- **2 Revision Tests** on high-yield and repeat-worthy topics
- **1 Special Test** — International Relations, Mapping, Places in News, Reports & Summits
- **Static-Dynamic Integration** — every question maps current affairs to core static concepts, mirroring UPSC complexity
- **PowerUp Recall Sheets** — high-yield fact sheets with every test for last-minute prep
- **Detailed Explanations** with PTRs, Knowledge Boxes and conceptual cross-links
- **AI-Supported Performance Analytics** — strength-weakness mapping, topic-wise tracking.

Why Serious Aspirants Choose the COMBO?

- **Fully Integrated Preparation** Static depth from Prelims tests + current affairs precision from CA tests — working together, not in silos. The only preparation plan that covers the full breadth of GS Paper I.
- **Trend-Aligned Questions** Every question is rooted in UPSC's evolving pattern — with significant reflections in UPSC Prelims 2026. Built to anticipate, not just cover.
- **Complete Learning Architecture** From concept-building → sectional testing → comprehensive revision → full-length simulation → current affairs integration. Every stage designed to raise your precision ceiling.
- **Smart AI Feedback Loop** AI-powered performance analytics across both series — identifying gaps for tracking improvement.
- **Unmatched Value** 45 tests. 15+ years of PYQ intelligence. AI analytics. Recall Sheets. Strategy sessions. All at 10% off the individual price — because complete preparation should be the smartest investment you make.
