VAJIRAM & RAVI

Institute for IAS Examination

PowerUp

DECODE THE NEWS. CONQUER THE PRELIMS.

CURRENT AFFAIRS 2027

Total 15 Tests

Batch 3

Commences on

18th NOVEMBER 2026

Background

Current affairs in UPSC Prelims is no longer a supplementary topic — it is the decisive battleground. The questions are dynamic, layered, and increasingly unpredictable. Vajiram & Ravi's PowerUp Current Affairs Test Series has consistently reflected what actually appears in UPSC Prelims, year after year.

For every serious aspirant, **PowerUp Current Affairs 2027** is not just a test series — it is the most precise current affairs intelligence system built for Prelims 2027.

About The Programme

CURRENT AFFAIRS INTELLIGENCE SERIES

PowerUp Current Affairs Test Series 2027 is a strategically engineered, expert-led test series designed exclusively for UPSC Prelims General Studies Paper I. Built on deep analysis of UPSC trends over 15 years, this programme ensures aspirants stay current with what truly matters, practise rigorously in a time-bound format, and continuously sharpen their preparation.

- In UPSC Prelims 2026, a significant number of questions directly or indirectly reflected from Vajiram & Ravi's Prelims Test Series — a testament to the accuracy of our question-framing intelligence.

Test Structure & Distribution

Total Tests: 15 (Carefully curated for maximum coverage)

Test Type	Details	No.
Monthly Tests	12 tests covering May 2026 to April 2027	12
Revision Tests	2 tests covering high-yield & repeat-worthy topics	2
Special Test	1 test — IR, Mapping, Places in News, Reports, Summits	1
Total	**15 Tests**	**15**

Key Features

1. **Exhaustive Current Affairs Coverage:** All essential themes and developments from the past 1.5 years — Polity & Governance, Economy, Environment, Science & Tech, International Relations, Reports & Indices, Government Schemes, and Institutions & Personalities in News.

2. **Static-Dynamic Integration:** Every question reflects how current affairs link to core static concepts — simulating the layered complexity of actual UPSC questions. Not just news, but *why* it matters for Prelims.

3 **Revisory Architecture:** Monthly rhythm with structured revision tests ensures multiple high-quality exposures to high-value content — building retention, not just familiarity.

4 **Detailed Answer Explanations:** Every test includes a comprehensive PDF booklet with:
- Points to Remember (PTR)
- Knowledge Boxes with Extra Facts

5 **PowerUp Recall Sheets:** Each test is accompanied by a curated Recall Sheet — capturing high-yield facts, key takeaways, and core concepts behind every question. Your personal revision companion for quick recaps and last-minute preparation.

6 **AI-Supported Performance Analytics**
- Topic-wise & subject-wise performance breakdown
- Strength and weakness mapping
- Comparative ranking & benchmarking
